

Florence Sylvester Presents:

Author Event & Book Signing

“Mother In Name Only”

Diana Kingsley
Author

"Kingsley takes us on a truly American journey of a woman who searches for compassion and meaning as she liberates herself from a loveless marriage and establishes an independent life for herself. Her struggles with the burdens of personal and family history are our struggles, and we root for her as she learns to spread her wings and fly."

— Howard C. Rubin, MD, San Francisco, California

Mother In Name Only was a Finalist in the
2023 International Book Awards categories:
